- It helps the patients to avail the following Healthcare Services - Tele-consultation for preliminary diagnosis, Pre Surgical Investigation, Post Surgical Follow - ups, Scheduling appointments for hospital visits, Expert opinion, Patient Counseling.

# BRIDGING THE GAP OF DEMAND – SUPPLY MISMATCH, DOCTOR - WISE FACILITY - WISE Augmentation of Govt. Health Resources

**Supports different centrally sponsored disease control programmes as part of NRHM and independent of NRHM ambit**

OTTET with the support of Govt. of Odisha has successfully been implementing telemedicine project Throughout the state to bridge the gap of demand supply mismatch, Doctor - wise & Facility - wise.

In order to give access to healthcare at the doorsteps to population living in far flung areas of 51,000 villages of Odisha using ICT platform, the Department of Health, Government of Odisha has taken initiative with OTTET, Bhubaneswar to implement the project in PPP mode.
